All About...

Laura & Peter Mossakowski Family Dog Park

Bellevue, Wis

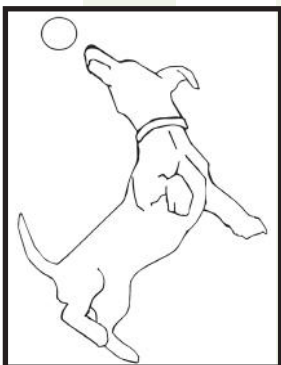

Laura & Peter Mossakowski
Family Dog Park, LTD

What is it?

The Dog Park is a place where our best friends have a place to run, romp and roll, meet new four-legged friends and even catch a ball or Frisbee.

The Dog Park Committee, the Village of Bellevue Leisure Services Department, Friends of Bellevue Parks, Oak View Veterinary Hospital and a group of volunteer citizens are working to create and operate a community dog park in the Village of Bellevue.

The first phase of the dog park's development is underway! The fence and the vehicle access and parking area are now funded and will be completed in 2016! Fundraising is on-going for future amenities for the park; a shelter, dog-friendly landscaping, etc.

Watch for the annual K-9 Carnival fundraiser !

Where is it?

2282 Bellevue Street just south of Hwy. 172 along the banks of the East River.

The dog park is about 6.5 acres in size and is adjacent to part of the East River Parkway & Trail.

Hours are daily 8:00 AM to 10:00PM

There are a few rules:

- Dogs must be licensed and have proof of immunizations
- Dogs may not be left unattended.
- Maximum of two dogs per adult human.
- Should your pet show signs of illness or a contagious disease, don't bring him/her to the park.
- Don't bring a puppy less than 4 months old or a female dog in heat.
- Keep an eye on your dog! Don't let your dog be aggressive with another dog.
- Obviously, you should pick up after your dog.
- Don't bring food for yourself or your dog.
- Bring a portable water bowl & water for your dog – water bowls at dog parks carry the risk of communicable illnesses.
- Keep your small dog in the designated small-dog section of the park – even if he/she enjoys hanging out with the big dogs.
- Bring a ball, but be prepared to lose it.
- Don't let your dog run in a pack. Intervene when play starts to get too rough.

History of the Dog Park:

In August 2010, the Bellevue Park Commission and Village Board approved a 5-year plan to develop an off-leash dog park in our Village. The Park Commission then approved the creation of an ad-hoc committee to guide a private fundraising effort to develop the dog park. The purpose of the Ad-Hoc Committee is to:

- Raise private funds for the development and ongoing maintenance of the off-leash dog park in the Village of Bellevue.
- Raise community awareness and build community support for the dog park.

Support the Dog Park!

The Laura & Peter Mossakowski Family Dog Park LTD. is a 501(c)(3) charity and donations are tax deductible! Inquiries can be made by emailing Admin@BellevueDogPark.com. To make a monetary donation, use the link on our website www.BellevueDogPark.com or make payable and send a check to:
