

Village of Bellevue
A Great Place to Grow!

2828 Allouez Avenue Bellevue, WI 54311

May 28, 2014

Dear PetSafe Bark for Your Park Committee,

I am pleased to announce my support for Bellevue's participation in the 2014 Bark for Your Park contest. I support my constituents' efforts. If our Village wins, the Village of Bellevue will allocate land to support the park.

The Village has a group of dedicated volunteer citizens that are working to create and operate a community dog park in Bellevue. Fundraising is now on-going with the hope of raising enough funds to open the park in the fall of 2014. For more information about the dog park go to the Dog Park Webpage at:
<http://www.villageofbellevue.org/public-services/leisure-services/parks-a-facilities/dog-park.html>

The proposed site is located at Vanden Heuvel Park, 2282 Bellevue Street. This 22.5 acre park site is located just south of State HWY 172 along the banks of the East River. The majority of this park is part of the East River Parkway & Trail. Approximately 6.5 acre section of the property will be developed as a dog park.

Respectfully,

Angela Gorall
Village Administrator
